

# Mecc Alte | 20 KW PTO | ECP28-VL/4

Mecc-Alte PTO (tractor driven generators) are made in Italy and are a good choice for reliable and durable PTO powered generators. Mecc-Alte PTO driven generators are a great value for tractor owners wanting reliable electricity without the need to buy an engine driven generator. Great for standby and backup power.

Standby Power Rating (Watts)	20,000
Amps (unity 1.0 power factor)	83
Volts	120/240
Hertz	60
Phase	Single
Rating	150°C
Type	4 Pole Brushless
Generator Speed	1800 RPM
Voltage Control	AVR
PTO Input Speed	540
Required Input HP	40
Motor Starting	46 kVA
Dimensions* (LxWxH)	30" x 12.7" x 15.6"
Weight*	398 lbs
*without Trailer and Drive Shaft	

## Generator:

- **Brushless**
- **1800 RPM**
- 100% Copper Windings
- 60 Hertz, Single Phase, 4 pole
- Class H Insulation
- **Automatic Voltage Regulated**
- **Made in Italy**

## Includes:

- **Gear Box** with 1000 RPM input shaft
- **Frequency Meter**
- **Main Circuit Breaker**
- 50 Amp 240 Volt Receptacle and Breaker
- 20 Amp 120 Volt Receptacle and Breaker
- **Full Power Plug with 12 Foot Cord**
- Protective PTO Shield
- Lifting eyes

## Accessories: (optional)

- PTO Drive Shaft
- PTO Trailer (off road only) (shown with trailer)
- Manual Transfer Switches
